Featured Destination

ARUBA

This island is surrounded by coral reefs, offers guaranteed sunshine and is blessed with beautiful beaches. Luxury resorts have taken up residence along most of the beachfronts on the southern coast, but there are still undeveloped areas on the exposed northern coast, and much of the interior is inhabited by nothing more substantial than goats.

The screenshot displays a web browser window with the URL `http://myd-vm06792.hpswlab.adapps.h...` and the page title "Register: Mercury Tours". The browser's address bar shows the URL, and the page content includes a navigation menu with links like "Home", "Flights", "Hotels", "Car Rentals", "Cruises", "Destinations", and "Vacations". The main content area features a "REGISTER" section with a message: "Dear New New, Thank you for updating your profile. You may now make additional [rese](#)". A note below states: "Note: Your user name is 'inbar_shani'".

Overlaid on the right side of the browser window is a test runner interface titled "Test: Profiling -> Edit Profile". It lists a series of steps for a test suite, with step 6, "Click the Profile button.", currently selected and highlighted. The "Expected Result" section for this step states: "The Edit Profile page opens. The Mailing information should be the same as you have specified on registration. The Contact information should be the same as you have specified in previous step." The test runner also shows a progress bar at the bottom indicating "5 / 8" steps completed, and a duration of "00:19:18".
